

# FEARLESS IN STAFFORDSHIRE

## WHAT IS FEARLESS?

Fearless is the dedicated youth service of the independent charity Crimestoppers.

We aim to empower young people (11 to 17) to make positive, informed decisions about giving information about crime 100% anonymously.

We are not the police, we are a charity!

## HOW IT WORKS

We provide you with the opportunity to give information about crime 100% anonymously.

You can give information to us using our online form or by calling Crimestoppers on 0800 555 111.

We cannot track your IP address or your phone number. We have no way of knowing who has contacted us. You will not be contacted by the police after passing information on to Fearless.

The police have no way of knowing who the information has come from.
