

Fireworks

We don't recommend using fireworks at home but if you decide to do so please remember, remember to follow the firework code:

Only buy fireworks that are CE marked

Don't drink alcohol if setting off fireworks

Keep fireworks in a closed and locked metal box

Follow the instructions on each firework

Light them at arm's length, using a taper

Stand well back

Never go near a firework that has been lit. Even if it hasn't gone off it could still explode

Never put fireworks in your pocket or throw them

Always supervise children around fireworks

Keep pets indoors

Don't set off noisy fireworks late at night and never after 11pm.
